

## MARKET STAFF

We are looking for someone to do 2-3 shifts a month (5-9 hours long) on Saturdays and Sundays to help with our market stalls.

We're looking for a co-operatively minded person who:

- is interested in good food and ideally knows a bit about/likes our bread or keen to learn about it.
- has initiative, is organised and methodical, and able to work independently.
- has great communication skills, is friendly, approachable and responsive.
- is up for working hard, shifting crates of bread around and running great market stalls.
- doesn't mind early mornings and knows Leeds pretty well.
- has a clean driving licence, been driving for at least 2 years, is 25 or over, (for van insurance purposes), and confident driving a mid-sized van.

The post is flexible and offered on a casual basis in that we email available shifts a month in advance to members of market team who then let us know which markets they are interested in and available for.

Full training will be provided, but please bear in mind that the role is quite physical and will require independent/lone working.

Our market role involves:

- Packing bread in line with our order sheet for each market and loading it into our van.
- Setting up and running our market stall which includes handling cash and talking to customers about our bread.
- Loading empty crates into the van at the end of each market and taking any leftover bread to one of our local charity drops.
- Unloading and cleaning the crates and other market equipment back at the bakery.

Wages are paid on the last day of the month and are £8.21 an hour (we have a flat wage structure – everyone gets paid the same hourly rate) plus holiday pay. Most our stalls are in or near Leeds and they're friendly, fun places to work!

### How to apply:

Send us a short covering letter/email with some info about yourself, how you fit the person specification, and why you'd like to work with us to [personnel@leedsbread.coop](mailto:personnel@leedsbread.coop) with the subject title 'Market Staff application'.

Applications for the role should be submitted by **5pm on Wednesday 21st August**.

Please note that we do not accept CVs.

Informal interviews will be held in the week commencing 26th August.

We need someone ready and available to start training within the next few weeks – we'd like to have you ready to start working towards the beginning of September if possible.
